December 1962

NOVEMBER UNIFORM PRICE \$4.10

Dairy farmers will receive a uniform price of \$4.10 for November 1962 deliveries of Grade A milk to handlers under the South Bend-LaPorte-Elkhart, Indiana, milk order. The uniform price is based upon a butterfat test of 3.5 percent, and will be adjusted by a differential of 7 cents for each one tenth percent that tests vary above or below the 3.5 percent standard. This minimum price is subject to a 4 cent per hundredweight marketing service deduction, together with the authorized hauling charge.

PRODUCER RECEIPTS

Average daily receipts of producer milk were up one percent over October, but one and one-half percent less than a year ago. This increase of one percent was accomplished with nine less producers than in October and 38 less producers than a year ago. The average daily herd production was 760#, which is 19 pounds per day more than in October. Production in this market seems to be staying about the same as the previous year, but is being maintained with less producers.

The average butterfat test of producer receipts was the highest this month since January of 1962, but will probably reach its peak for the year next month.

CLASS I SALES

The sale of Class I products shows hardly any change from the previous month or for the same month in 1961. A comparison of the size of containers that fluid whole milk is sold in for the last two years, with comparable months, is, as follows:

May 1961	Gallons	47.8%	½ Gallons	37.2%	Quarts	8.5%	Other	6.5%
Nov. 1961	Gallons	47.3%	½ Gallons	37.3%	Quarts	8.4%	Other	7.0%
May 1962	Gallons	48.7%	½ Gallons	36.6%	Quarts	7.4%	Other	7.3%
Nov. 1962	Gallons	48.2%	½ Gallons	37.7%	Quarts	6.5%	Other	7.6%

CLASS I PRICE

The Class I price for the December 1962 delivery period will be \$4.24 per hundredweight for 3.5 percent milk. This price was computed by adding \$1.10 per hundredweight to the basic formula price (\$3.10), plus the 4 cent supply-demand adjustment. The supply-demand adjustment for the January 1963 delivery period will be a minus 4 cents.
